Club 26(4): 193. 1899 [12 Apr 1899] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum lechnoviczii Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 49, 124. 1944 [Jun 1944] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum lechnoviczii Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 2: 49, 124. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum lechnoviczii Hawkes var. latifolium Vargas -- Papas Sudper. 2: 61. 1954 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum lechnoviczii Hawkes var. xerophyllum Vargas -- Papas Sudper. 2: 61, fig. 19. 1956 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ledermannii Bitter -- Bot. Jahrb. Syst. 55(1): 107. 1917 [27 Nov 1917] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ledesmense Cabrera -- Hickenia 1(41): 223. 1980 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ledesmense Cabrera -- Hickenia 1(41): 223, fig. 1980 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum lehmannianum Bitter -- Repert. Spec. Nov. Regni Veg. 10: 532. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum lehmannianum Bitter -- Repert. Spec. Nov. Regni Veg. 10: 532. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum lehmannii (Bitter) C.V.Morton -- Contr. U.S. Natl. Herb. xxix. 61 (1944). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum lehmannii (Bitter) C.V.Morton -- Contr. U.S. Natl. Herb. 29: 61. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum leiboldianum Dunal -- Prodr. [A. P. de Candolle] 13(1): 314. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum leiophyllum Dunal -- Prodr. [A. P. de Candolle] 13(1): 141. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum leiophyllum Benth. -- Pl. Hartw. [Bentham] 146. 1844 [Dec 1844] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia

L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum lentum Cav. -- Icon. [Cavanilles] 4: 4, t. 308. 1797 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum lentum Griseb. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum lentum Cav. -- Icon. [Cavanilles] iv. 4. t. 308. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum lentum Kunth ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 173. 1852 [10 May 1852] ; nom. inval. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum lentum Cav. var. echinatum Dunal -- Prodr. [A. P. de Candolle] 13(1): 173. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum leonii Heiser -- Ceiba 4: 298. 1955 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum leonii Heiser -- Ceiba 4: 298. 1955 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum leontopodium Sendtn. -- Fl. Bras. (Martius) 10: 38. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum leopoldense Symon -- Transactions of the Royal Society of South Australia 95 1971 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum leopoldense Symon -- Trans. Roy. Soc. South Australia 95(4): 231. 1971 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum lepidocaule Standl. & L.O.Williams -- Ceiba 3: 218. 1953 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum lepidocaule Standl. & L.O.Williams -- Ceiba iii. 218 (1953). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum lepidotum Humb. & Bonpl. ex Dunal -- Solan. Syn. 17. 1816 [Oct 1816] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum lepidotum Humb. & Bonpl. ex Dunal var. lepidiochlamys Bitter ex Carvalho -- Ann. Missouri Bot. Gard. 78(1): 231 (1991). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum lepidotum var. lepidiochlamys Bitter ex Carvalho -- Ann. Missouri Bot. Gard. 78: 231, fig. 10, 15B. 1991 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum lepidotum Humb. & Bonpl. ex Dunal var. trianae Carvalho -- Ann. Missouri Bot. Gard. 78(1): 231 (1991). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum lepidotum var. trianae Carvalho -- Ann. Missouri Bot. Gard. 78: 231, fig. 15C. 1991 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum leprosum Ortega -- Nov. Rar. Pl. Descr. Dec. 115. 1800 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum leprosum Ortega -- Nov. Rar. Pl. Descr. Dec. 115. 1800 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L.

Purified Solanum macropilosum Correll -- Wrightia ii. 189 (1961). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum macropus Dunal -- Prodr. [A. P. de Candolle] 13(1): 134. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum macroscola Fernald -- Proc. Amer. Acad. Arts xxxv. 570. , as 'macroscolum' as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum macroscola Fernald -- Proc. Amer. Acad. Arts 35: 570. 1900 , as 'macroscolum' as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum macrosepalum Dammer -- Bot. Jahrb. Syst. 53(3-5): 331. 1915 [19 Oct 1915] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum macrothyrsum Dammer -- Bot. Jahrb. Syst. 38(2): 185. 1906 [1907 publ. 14 Aug 1906] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum macrotonum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 222. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum macrotonum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 222. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum madagascariense Dunal -- Prodr. [A. P. de Candolle] 13(1): 99. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum madagascariense Dammer -- Bot. Jahrb. Syst. 38(2): 184. 1906 [1907 publ. 14 Aug 1906] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum madagascariense Dammer var. nitens D'Arcy & Rakot. -- Fl. Madag. Fam. 176: 105 (1994), nom. nov.:. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum madrense Fernald -- Proc. Amer. Acad. Arts 35: 558. 1900 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum madrense Fernald -- Proc. Amer. Acad. Arts xxxv. 558. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum maestrense Urb. -- Repert. Spec. Nov. Regni Veg. 21: 221. 1925 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum maestrense Urb. -- Repert. Spec. Nov. Regni Veg. 21: 221. 1925 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum magdalenae Dammer -- Bot. Jahrb. Syst. 38(2): 194. 1906 [1907 publ. 14 Aug 1906] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum magdalenense C.V.Morton -- Contr. U.S. Natl. Herb. xxix. 58 (1944). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum magdalenense C.V.Morton -- Contr. U.S. Natl. Herb. 29: 58. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum magistacrolobum f. purpureum Ochoa -- Phytologia 77: 391. 1995 7666 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum maglia Schltdl. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium

denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum maglia Schltdl. -- Hort. Hal. 6. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum maglia var. brevifrons Bitter -- Repert. Spec. Nov. Regni Veg. 11: 362. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum maglia var. chubutense Bitter -- Repert. Spec. Nov. Regni Veg. 12: 452. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum maglia var. collinum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 364. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum maglia var. guaytecarum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 2. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum maglia var. guaytecarum Bitter as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum maglia var. witasekianum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 364. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum magnifolium F.Muell. -- Fragm. (Mueller) 6(42): 27. 1867 [Sep 1867] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum magnifolium F.Muell. -- Fragmenta Phytographiae Australiae 6 1868 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum magnusianum Dammer -- Bot. Jahrb. Syst. 28(4): 475. 1900 [13 Jul 1900] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum megalonychum St.-Lag. -- Ann. Soc. Bot. Lyon viii. (1881) 161, 203. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum megalonyx Sendtn. -- Fl. Bras. (Martius) 10: 92. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum megalophyllum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 202. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum megalophyllum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 202. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum megalospermum J.L.Gentry & A.Child -- Brenesia 16: 147. 1979 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum megalospermum J.L.Gentry & A.Child -- Brenesia no. 16: 147 (-148), fig. 1979 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum megaspermum Agra -- Syst. Bot. 33(3): 559 (-561, 563-564; figs. 3, 5). 2008 [22 Aug 2008]

Purified Solanum megistacrolobum Bitter -- Repert. Spec. Nov. Regni Veg. 10: 536. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum megistacrolobum Bitter -- Repert. Spec. Nov. Regni Veg. 10: 536. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum megistacrolobum Bitter f. purpureum Ochoa -- Phytologia 77(5): 391. 1995 [Nov 1994 publ. 14 Mar 1995] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum megistacrolobum subsp. toralapanum (Cárdenas & Hawkes) Giann. & D.M.Spooner -- Syst. Bot. 19: 112. 1994 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum megistacrolobum Bitter var. toralapanum (Cárdenas & Hawkes) Ochoa -- Potatoes of S. Amer.: Bolivia 170 (1990):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum megistacrolobum var. toralapanum (Cárdenas & Hawkes) Ochoa -- Potatoes S. America: Bolivia 170. 1991 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum megistacrolobum Bitter subsp. toralapanum (Cárdenas & Hawkes) Giann. & D.M.Spooner -- Syst. Bot. 19(1): 112. 1994 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum megistophyllidium Bitter -- Repert. Spec. Nov. Regni Veg. 12: 554. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum megistophyllidium Bitter -- Repert. Spec. Nov. Regni Veg. 12: 554. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum meizonanium Bitter -- Repert. Spec. Nov. Regni Veg. 11: 214. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum meizonanthum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 214. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melanandrum Moric. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 241. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melancholicum Salzm. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 200. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melaniferum Moric. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 43. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melanocarpum hort. -- ex Rev. Hortic. (1877) 291. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melanocarpum Dunal -- Prodr. [A. P. de Candolle] 13(1): 355. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melanocerasum Willd. -- Enum. Pl. [Willdenow] 1: 237. 1809 [Apr 1809] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melanocerasum All. -- Auct. Syn. Meth. Stirp. Hort. Regii Taur. 12. 1773 ; Mélanges Philos. Math. Soc. Roy. Turin 5: 64. 1774 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melanospermum F.Muell. -- Fragmenta Phytographiae Australiae 2 1861 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melanospermum F.Muell. -- Fragm. (Mueller) 2(16): 163. 1861 [May 1861] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melanostictocarpum Gilli -- Feddes Repert. 94(5): 321. 1983 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melanostictocarpum Gilli -- Feddes Repert. 94: 321. 1983 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melanoxylon Link -- Enum. Hort. Berol. Alt. 1: 188. 1821 [16 Mar-30 Jun 1821] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melanoxylon var. angustissimum Kuntze as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melastomoides C.H.Wright -- Bull. Misc. Inform. Kew 1894(88): 128. [Apr 1894] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melissarum Bohs -- Taxon 44(4): 584 (1995), nom. nov.:. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum mellobarretoi Agra & Stehmann -- Phytotaxa 288(3): 259. 2016 [16 Dec 2016] [epublished]

Purified Solanum meloncillo Parodi -- Revista Fac. Agron. Veterin. 7: 238, fig. 12. 1930 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum meloncillo Parodi -- Rev. Fac. Agron. & Vet., Buenos Aires vii. 238 (1930). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melongena L. -- Sp. Pl. 1: 186. 1753 [1 May 1753] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melongena Wall. -- Numer. List [Wallich] n. 2628. 1831 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melongena L. -- Species Plantarum 2 1753 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melongena L. subsp. agreste Dikii -- Trudy Prikl. Bot. Genet. Selek. 88: 105 (1984), as 'agrestis'. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melongena L. var. angustum Dikii -- Trudy Prikl. Bot. Genet. Selek. 88: 105 (1984), as 'angusta'. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melongena L. subsp. cumingii (Dunal) J.Samuel -- Breakthroughs Genet. Breed. Capsicum and Eggplant 258. 2013 [Sep 2013]

Purified Solanum melongena L. var. cylindricum Dikii -- Trudy Prikl. Bot. Genet. Selek. 88: 105 (1984), as 'cylindrica'. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs)

when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melongena L. var. giganteum (Alef.) Dikii -- Trudy Prikl. Bot. Genet. Selek. 88: 105 (1984), without basionym ref. but name same as avowed basionym:. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melongena L. var. globosi Dikii -- Trudy Prikl. Bot. Genet. Selek. 88: 106 (1984). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melongena L. var. inerme (Dunal) Hiern -- Cat. Afr. Pl. (Hiern) 1(3): 748. 1898

Purified Solanum melongena L. var. inerme (Dunal) C.H.Wright -- Fl. Trop. Afr. [Oliver et al.] 4(2): 242. 1906 [Feb 1906] ; isonym

Purified Solanum melongena L. subsp. insanum (L.) Banfi, Galasso & Bartolucci -- Nat. Hist. Sci. 15(1): 19. 2017 [15 Dec 2017] [epublished]

Purified Solanum melongena L. var. leucoum (Alef.) Dikii -- Trudy Prikl. Bot. Genet. Selek. 88: 105 (1984), name same as avowed basionym:. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melongena L. var. racemiflorum Dikii -- Trudy Prikl. Bot. Genet. Selek. 88: 105 (1984), as 'racemiflora'. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melongena L. var. racemosum Dikii -- Trudy Prikl. Bot. Genet. Selek. 88: 105 (1984), as 'racemosa'. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melongena L. var. stenoleucum (Alef.) Dikii -- Trudy Prikl. Bot. Genet. Selek. 88: 104 (1984), name same as avowed basionym:. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melongena L. var. variegatum (Alef.) Dikii -- Trudy Prikl. Bot. Genet. Selek. 88: 105 (1984), name same as avowed basionym:. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melongena L. var. violaceum (Alef.) Dikii -- Trudy Prikl. Bot. Genet. Selek. 88: 105 (1984), name same as avowed basionym:. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melongena L. var. viride Dikii -- Trudy Prikl. Bot. Genet. Selek. 88: 104 (1984), as 'viridis'. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melongenifolium Lanza -- Missione Biol. Borana 4: 198. 1939 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum melongenum St.-Lag. -- Ann. Soc. Bot. Lyon vii. (1889) 135. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum membranaceum Wall. ex Nees -- Trans. Linn. Soc. London 17(1): 41. 1834 [1837 publ. 26 Apr-8 May 1834]

Purified Solanum membranaceum Vargas -- Papas Sudper. 2: 62, fig. 20. 1954 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum molle Schrank -- Pl. Rar. Hort. Monac. t. 81. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum molle Humb. & Bonpl. ex Dunal -- Solan. Syn. 28. 1816 [Oct 1816] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum molle Bert. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 185. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum mollepujroense Cárdenas & Hawkes -- J. Linn. Soc., Bot. 53: 103, fig. 9. 1946 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum mollepujroense Cárdenas & Hawkes -- J. Linn. Soc., Bot. liii. 103. 1946 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum mollissimum Blume -- Bijdr. Fl. Ned. Ind. 13: 698. 1826 [24 Jan 1826] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum molliusculum Bitter -- Repert. Spec. Nov. Regni Veg. 10: 546. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum monachophyllum Humb. & Bonpl. ex Dunal -- Solan. Syn. 33. 1816 [Oct 1816] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum monactinanthum Dammer -- Bot. Jahrb. Syst. 48(1-2): 236. 1912 [27 Feb 1912] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum monadelphum Van Heurck & Müll.Arg. -- Arg. in Heurck, Obs. Bot. 42. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum monanthemon S.Knapp -- Brittonia 58(4): 332 (-335; fig. 5). 2006 [28 Dec 2006]

Purified Solanum monanthos Dunal -- Prodr. [A. P. de Candolle] 13(1): 406. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum monanthum Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 608. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum monarchostemon S.Knapp -- Bull. Nat. Hist. Mus. London, Bot. 30(1): 23 (-25; figs. 8-9). 2000 [29 Jun 2000] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum monarchostemon S.Knapp -- Bull. Nat. Hist. Mus. London, Bot. 30(1): 23. 2000 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum moniliforme Correll -- Wrightia 2: 182. 1961 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum moniliforme Correll -- Wrightia ii. 182 (1961). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum monocarpum Dunal -- Prodr. [A. P. de Candolle] 13(1): 146. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum monodynamum Vis. -- Sem. Hort. Patav. (1841) 3. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum monodynamum Dunal -- Prodr. [A. P. de Candolle] 13(1): 131. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum monotanthum Dammer -- Bot. Jahrb. Syst. 28(4): 474. 1900 [13 Jul 1900] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum montanum L. -- Sp. Pl. 1: 186. 1753 [1 May 1753] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum montanum L. -- Sp. Pl. 1: 186. 1753 [1 May 1753] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum montanum Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 32. 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum montanum L. var. arenarium Dunal -- Hist. Nat. Solanum 146. 1813 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum monteiroi C.H.Wright -- Bull. Misc. Inform. Kew 1894(88): 127. [Apr 1894] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum montevidense Spreng. -- Syst. Veg., ed. 16 [Sprengel] 1: 684. 1824 [dated 1825; publ. in late 1824] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum monticola Dunal -- Prodr. [A. P. de Candolle] 13(1): 161. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum montigenum (C.V.Morton) Cabrera -- Fl. Prov. Jujuy pt. 8: 435. 1983 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum montigenum (C.V.Morton) Cabrera -- Fl. Prov. Jujuy (Inst. Nac. Tecn. Agropec., 13) 8: 435 (1983):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum morellifolium Bohs -- Ann. Missouri Bot. Gard. 77(2): 404 (1990). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum morelliforme Bitter & Münch -- Repert. Spec. Nov. Regni Veg. 12: 154. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Ser. 22: 275. 1940 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum muha Dammer -- Bot. Jahrb. Syst. 38(2): 186. 1906 [1907 publ. 14 Aug 1906] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum mullus Hort Monsp. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 381. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum multiangulatum Vell. -- Fl. Flumin. 91. 1829 [1825 publ. 7 Sep-28 Nov 1829] ; see also Fl. Flumin. Icon. 2: t. 133. 1831. [1827 publ. 29 Oct 1831] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum multidissectum Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 49, 124 (fig. 38). 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum multidissectum Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 124, fig. 38. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum multidissectum Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 49, 124. 1944 [Jun 1944] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum multifidum Ruiz & Pav. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum multifidum Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 37 (t. 171). 1799 ; nom. illeg. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum multifidum Buch.-Ham. ex D.Don -- Prodr. Fl. Nepal. 96. 1825 [26 Jan-1 Feb 1825] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum multifidum Lam. -- Tabl. Encycl. 2: 17. 1794 [10 Apr 1794] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum multiflorae Vargas -- Papas Sudper. Pt. 1, 93 (1949), sine descr. lat.; cf. Gray Herb. Card Cat. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum multiflorum Vargas -- Papas Sudper. 2: 55. 1954 ; nom. illeg. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum multiflorum Roth -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 669. 1819 [Jan-Jun 1819] ; and in Nov. Pl. Sp. 130. 1821 [Apr 1821] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum multiflorum Vargas -- Papas Sudper. 1: 93, fig. 27. 1949 ; nom. inval. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum multifolium Merr. & L.M.Perry -- J. Arnold Arbor. xxx. 50 (1949). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum multiglandulosum Bitter -- Repert. Spec. Nov. Regni Veg. Beih. 16: 74. 1923 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum multiglochidiatum Domin -- Biblioth. Bot. lxxxix. 586 (1929). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum multiglochidiatum Domin -- Bibliotheca Botanica 89(4) 1928 = Bibliotheca Botanica Heft 89 (Dec. 1929) 586 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum multiinterruptum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 56. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum multiinterruptum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 56. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum multiinterruptum Bitter f. albiflorum Ochoa -- Papas Sudamer. Peru 1: 838 (-841; fig. 363; map 25). 1999 [Mar 1999] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum multiinterruptum Bitter f. albiflorum Ochoa -- Las Papas de Sudamerica: Peru 1: 838 (1999). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum multiinterruptum Bitter f. longipilosum Correll -- Wrightia 2: 192. 1961 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum multiinterruptum Bitter var. nachaytambinum Ochoa -- Agronomia (Lima) 27: 244, fig. 1960 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum multinervium Dunal -- Prodr. [A. P. de Candolle] 13(1): 127. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum multispinum N.E.Br. -- Trans. & Proc. Bot. Soc. Edinb. xx. 65 (1894). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum multispinum N.E.Br. -- Trans. & Proc. Bot. Soc. Edinburgh 20: 65. 1894 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum multispinum var. grandiflorum Hassl. -- Trab. Mus. Farmacol. 21: 107. 1909 Fedde, Rep. Spec. Nov. 9: 117. 1911. Paraguay as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum multivenosum Symon -- J. Adelaide Bot. Gard. 8: 73. 1985 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum munitum Bitter -- Bot. Jahrb. Syst. 57(2): 284. 1921 [6 May 1921] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum muricatum Bert. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 150. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum muricatum Aiton -- Hort. Kew. [W. Aiton] 1: 250. 1789 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum muricatum f. glaberrimum Correll -- Wrightia 2: 178. 1961 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum muricatum var. papillosistylum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 359. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum muricatum var. popayanum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 443. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum muricatum var. praecedens Bitter -- Repert. Spec. Nov. Regni Veg. 12: 443. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum muricatum var. protogenum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 442. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum muricatum var. teleutogenum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 443. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum murinum Sendtn. -- Fl. Bras. (Martius) 10: 29. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum murphyi I.M.Johnst. -- Contr. Gray Herb. 95: 34. 1931 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum murphyi I.M.Johnst. -- Contr. Gray Herb. 95: 34, pl. 7, fig. 3. 1931 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum mutabile Witasek -- in Denkschr. Akad. Wiss. Wien lxxix. 346 (1910); Just's Bot. Jahresb. xxxix. 11. 306. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum mutabile Witasek -- Denkschr. Kaiserl. Akad. Wiss., Wien. Math.-Naturwiss. Kl. 79: 346, tab. 31, fig. 2a-b. 1910 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum muticum N.E.Br. -- Bull. Misc. Inform. Kew 1894(85): 6. [Jan 1894] ; et ex Gartenfl. xliii (1894) 171 t. 1401 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum muticum N.E.Br. -- Bull. Misc. Inform. Kew 1894(85): 6. [Jan 1894] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum mutisii C.V.Morton -- Contr. U.S. Natl. Herb. 29: 45. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum mutisii C.V.Morton -- Contr. U.S. Natl. Herb. xxix. 45 (1944). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum myosotis Dunal -- Prodr. [A. P. de Candolle] 13(1): 102. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum myosotoideum St.-Lag. -- Ann. Soc. Bot. Lyon vii. (1880) 135. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum myoxotrichum Baker -- J. Linn. Soc., Bot. 21: 426. 1885 [1886 publ. 1885] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum myriacanthum Dunal -- Hist. Nat. Solanum 218. t. 19. 1813 [19 Mar 1813] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum myriadenium Bitter -- Repert. Spec. Nov. Regni Veg. 12: 157. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum myriadenium Bitter -- Repert. Spec. Nov. Regni Veg. 12: 157. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum myrianthum Britton ex Rusby -- Bull. Torrey Bot. Club 26(4): 191. 1899 [12 Apr 1899] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum myrianthum Britton -- Bull. Torrey Bot. Club 26(4): 191. 1899 [12 Apr 1899] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum myrsinoides D'Arcy & Rakot. -- Fl. Madag. Fam. 176: 115 (1994). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum myrtifolium G.Lodd. -- Bot. Cab. 15(4): t. 1431. 1829 [Apr 1829] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum nakurense C.H.Wright -- Bull. Misc. Inform. Kew 1897(128-129): 275. [Aug-Sep 1897] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum namaense Schinz -- Vierteljahrsschr. Naturf. Ges. Zürich lvi. 264. 1911 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum namaquense Dammer -- Bot. Jahrb. Syst. 53(3-5): 325. 1915 [19 Oct 1915] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum nannodes Correll -- Agric. Monogr. U.S.D.A. 11: 161, fig. 109, 110. 1952 Sect. Tuber. Gen. Solan. N. Am. & Cen. Am as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum nannodes Correll -- Agric. Monogr. U.S.D.A. No. 11 (Sect. Tuber. Gen. Solan. N. &-Centr. Amer.) 161 (1952). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum nanum Bitter -- Repert. Spec. Nov. Regni Veg. 10: 564. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum nanum Bitter -- Repert. Spec. Nov. Regni Veg. 10: 564. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum naratida Buch.-Ham. ex Wall. -- Numer. List [Wallich] n. 2619 B. 1831 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum narcoticosmum Bitter -- Repert. Spec. Nov. Regni Veg. 18: 55. 1922 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum narcoticosmum Bitter -- Repert. Spec. Nov. Regni Veg. 18: 55. 1922 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum narcoticum Bitter -- Repert. Spec. Nov. Regni Veg. 13: 97. 1914 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum narcoticum Bitter -- Repert. Spec. Nov. Regni Veg. 13: 97. 1914 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum narense Humb. & Bonpl. ex Dunal -- Solan. Syn. 18. 1816 [Oct 1816] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum naucinum S.Knapp -- Ann. Missouri Bot. Gard. 92(2): 251 (-253; fig.2B). 2005 [26 July 2005]

Purified Solanum naumannii Engl. -- Bot. Jahrb. Syst. 8(1): 64. 1886 [2 Nov 1886] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum nava Webb & Berthel. -- Hist. Nat. Iles Canaries (Phytogr.). iii. 123. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum nayaritense Rydb. -- Bull. Torrey Bot. Club 1924, li. 170. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum nayaritense Rydb. -- Bull. Torrey Bot. Club 51: 170. 1924 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ndellense A.Chev. -- Etudes Fl. Afr. Centr. Franc. i. 217 (1913), nomen. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum neei Chiarini & L.A.Mentz -- PhytoKeys 18: 2. 2012 [1 Nov 2012] [epublished]

Purified Solanum neesianum Dalzell & A.Gibson -- Bombay Fl. [Dalzell & Gibson] 175. 1861 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum neesianum D.Dietr. -- Syn. Pl. [D. Dietrich] i. 697. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum neesianum Wall. ex Nees -- Trans. Linn. Soc. London 17(1): 42. 1834 [1837 publ. 26 Apr-8 May 1834] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum neglectum Dunal -- Hist. Nat. Solanum 177 (-178). 1813 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum neglectum Bert. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 170. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum neglectum Dunal -- Hist. Nat. Solanum 177. 1813 [19 Mar 1813] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum neglectum Dunal -- Hist. Nat. Solanum 177 (-178). 1813 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum nelsonii Dunal -- Prodr. [A. Purified Solanum neoweberbaueri Wittm. -- Bot. Jahrb. Syst. 50(Suppl.): 540. 1914 [25 Mar 1914] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum neriifolium Bitter -- Repert. Spec. Nov. Regni Veg. 11: 482. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum neriifolium Bitter -- Repert. Spec. Nov. Regni Veg. 11: 482. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum neriifolium Bitter -- Repert. Spec. Nov. Regni Veg. 11: 482. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum nesiotes Bitter -- Repert. Spec. Nov. Regni Veg. Beih. 16: 121. 1923 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum nesophilum H.St.John -- Phytologia 64(3): 170. 1988 ; et Native Hawaiian sp. Solanum (Hawaiian Pl. Stud. 82): 18. 1988. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically:

Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum neumanni Dammer -- Bot. Jahrb. Syst. 38(2): 195. 1906 [1907 publ. 14 Aug 1906] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum neves-armondii Dusén -- Arq. Mus. Nac. Rio de Janeiro 13: 92. 1903 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum neves-armondii Dusén -- Arch. Mus. Nac. Rio de Janeiro xiii. 92 (1903); Arkiv Bot. Stockh. viii. No.7, 15. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum neves-armondii Dusén -- Archiv. Mus. Nac. Rio de Janeiro xiii. 92 (1905). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum newtonii Dammer -- Bot. Jahrb. Syst. 48(1-2): 251. 1912 [27 Feb 1912] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum nguelense Dammer -- Bot. Jahrb. Syst. 48(1-2): 252. 1912 [27 Feb 1912] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum nicandricalyx Cabrera -- Bol. Soc. Argent. Bot. 13(4): 326. 1971 , as 'nicandriicalyx' as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum nicandriicalyx Cabrera -- Bol. Soc. Argent. Bot. 13: 326, fig. 1. 1971 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum nicaraguense Rydb. -- Bull. Torrey Bot. Club 51: 171. 1924 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum nicaraguense Rydb. -- Bull. Torrey Bot. Club 1924, li. 171. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum nicotianifolium Lag. -- Gen. Sp. Pl. [Lagasca] 10. 1816 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum nienkui Merr. & Chun -- Sunyatsenia 2: 318. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum nigrescens M.Martens & Galeotti -- Bull. Acad. Roy. Sci. Bruxelles 12(1): 140. 1845 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum nigrescens M.Martens & Galeotti -- in Bull. Acad. Brux. xii. I. 140. 1845 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum nigricans M.Martens & Galeotti -- in Bull. Acad. Brux. xii. I. 134. 1845 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum nigriviolaceum Bitter -- Repert. Spec. Nov. Regni Veg. Beih. 16: 163. 1923 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum nigrum Acerb. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 59. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum nigrum Lesch. ex Dunal -- Prodr. [A. Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pachyantherum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 206. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pachyantherum Witasek -- in Denkschr. Akad. Wiss. Wien lxxix. 331 (1910); Just's Bot. Jahresb. xxxix. II. 306. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pachyantherum Bitter as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pachyantherum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 206. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pachyarthrotrichum Bitter -- Repert. Spec. Nov. Regni Veg. 10: 542. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pachycalyx Van Heurck & Müll.Arg. -- Observ. Bot. (Van Heurck) 92. 1870 [1 Jun 1870] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pachyneuroides Amshoff -- Acta Bot. Neerl. iii. 418 (1954); et in Mem. Soc. Cubana Hist. Nat. xxi 420(1954). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pachyneuroides Amshoff -- Acta Bot. Neerl. 3: 418. 1954 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pachyneurum O.E.Schulz -- Symb. Antill. (Urban). 6(2): 195. 1909 [15 Dec 1909] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pachyneurum O.E.Schulz -- Symb. Antill. (Urban). 6(2): 195. 1909 [15 Dec 1909] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pachyneurum O.E.Schulz var. glabrescens O.E.Schulz -- Symb. Antill. (Urban). 6(2): 196. 1909 [15 Dec 1909] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pachypetalon Spreng. -- Syst. Veg., ed. 16 [Sprengel] 4(2, Cur. Post.): 72. 1827 [Jan-Jun 1827] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pachystylum Polgar -- Trans. & Proc. Roy. Soc. N. Z. lxix. 280 (1939). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pachytrichum Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 2: 45, 121, fig. 31. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pachytrichum Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 45, 121. 1944 [Jun 1944] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pacificum Tepe -- J. Bot. Res. Inst. Texas 3(2): 512 (-514; fig. 1). 2009

Purified Solanum paleatum Schott ex Sendtn. -- Fl. Bras. (Martius) 10: 42. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum palenquense D'Arcy -- Selbyana 2(1): 63. 1977 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum palenquense D'Arcy -- Selbyana 2(1): 63, pl. 18A. 1977 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L.

based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum palinacanthum Dunal -- Prodr. [A. P. de Candolle] 13(1): 245. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum palinacanthum Dunal -- Prodr. [A. P. de Candolle] 13(1): 245. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum palinacanthum Dunal f. velutina Chodat -- Bull. Soc. Bot. Genève ser. 2, 8: 157. 1916 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum palitans Morton -- Revision of the Argentine Species of Solanum 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum palitans C.V.Morton -- Revis. Argentine Sp. Solanum 92. 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum palitans C.V.Morton -- Revis. Argentine Sp. Solanum 92 (-96), figs. 7E-H, 8. 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pallidifolium A.R.Bean -- J. Adelaide Bot. Gard. 29: 32. 2016 [12 May 2016] [epublished]

Purified Solanum pallidum Rusby -- Mem. Torrey Bot. Club 4: 228. 1895 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pallidum Rusby -- Mem. Torrey Bot. Club iv. (1895) 228. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum palmeri Vasey & Rose -- en Proc. U. S. Nat. Mus. xi. (1888) 532. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum palmeri Vasey & Rose -- Proc. U. S. Natl. Mus. 1888, 11: 532. 1889 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum palmetorum Dunal -- Prodr. [A. P. de Candolle] 13(1): 282. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum palmillae Standl. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 8: 149. 1930 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum palmillae Standl. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 8: 149. 1930 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum palqui Molina -- Sag. Stor. Nat. Chili, ed. 2. 282. 1810 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum paludosum Dunal -- Prodr. [A. France 65: 61. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pentlandii Dunal -- Prodr. [A. P. de Candolle] 13(1): 51. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pentlandii subsp. interandinum (Bitt.) Edmonds -- Kew Bull. 27(1): 110. 1972 [17 Aug 1972] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pentlandii subsp. interandinum (Bitter) Edmonds -- Kew Bull. 27(1): 109. 1972 [17 Aug 1972] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum peranomalum Wernham ex Ridl. -- Hooker's Icon. Pl. 31: t. 3062 (June1916). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum perattenuatum I.M.Johnst. -- Sargentia 8: 265, tab. 17, fig. 2. 1949 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum perattenuatum I.M.Johnst. -- Sargentia 8: 265, tab. 17, fig. 2. 1949 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum peregrinum E.P.Bicknell -- Bull. Torrey Bot. Club 42: 332. 1915 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum peregrinum E.P.Bicknell -- Bull. Torrey Bot. Club xlii. 332. 1915 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pereirae Carvalho -- Ann. Missouri Bot. Gard. 78: 237, fig. 6, 12, 16B, C. 1991 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pereirae Carvalho -- Ann. Missouri Bot. Gard. 78(1): 237 (1991). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum perianthomega Vell. -- Fl. Flumin. 87. 1829 [1825 publ. 7 Sep-28 Nov 1829] ; see also Fl. Flumin. Icon. 2: t. 118. 1831. [1827 publ. 29 Oct 1831] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum perlongistylum G.J.Anderson, Martine, Prohens & Nuez -- Novon 16(2): 162 (-164; fig. 1A-D). 2006 [26 Jul 2006]

Purified Solanum perplexum Small -- Man. S.E. Fl. [Small] 1115. 1933 Without Latin diagnosis as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum perplexum Small -- Man. S.E. Fl. [Small] 1115. 1933 [30 Nov 1933] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum persicifolium Mart. -- Flora 21(2, Beibl.): 78. 1838 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum persicifolium Mart. -- Flora 21(2, Beibl.): 78. 1838 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum persicifolium Dunal -- Hist. Nat. Solanum 185. 1813 [19 Mar 1813] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum persicifolium Dunal -- Solan. Syn. 185. 1816 [Oct 1816] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum persicifolium Dunal var. belloi O.E.Schulz -- Symb. Antill. (Urban). 6(2): 227. 1909 [15 Dec 1909] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum persicifolium Mart. var. parvifolium O.E.Schulz as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum persicifolium Dunal var. parvifolium O.E.Schulz -- Symb. Antill. (Urban). 6(2): 227. 1909 [15 Dec 1909] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum persicum Willd. ex Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 662. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use

in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum persicum Willd. ex Roem. & Schult. subsp. pseudopersicum (Pojark.) Schönb.-Tem. -- Fl. Iranica [Rechinger] 100: 14. 1972 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pertenue Standl. & C.V.Morton -- Publ. Field Mus. Nat. Hist., Bot. Ser. 18: 1089. 1938 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Resources 179. 1990 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum phureja Juz. & Bukasov subsp. hygrothermicum (Ochoa) Hawkes -- Potato, Evolution, Biodivers. & Gen. Res. 179 (1990):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum phureja Juz. & Bukasov var. janck'o-phureja Ochoa -- Phytologia 65(2): 104 (1988). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum phureja Juz. & Bukasov var. janck'o-phureja Ochoa -- Phytologia 65: 104. 1988 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum phureja Juz. & Bukasov var. macmillanii (Bukasov & Lechnovitch) Ochoa -- Potatoes of S. Amer.: Bolivia 333 (1990), basionym not validly publ.:. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum phureja f. orbiculata Ochoa -- Phytologia 65: 104. 1988 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum phureja Juz. & Bukasov f. orbiculatum Ochoa -- Phytologia 65(2): 104 (1988), as 'orbiculata'. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum phureja var. pujeri Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 2: 68, 130, fig. 78. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum phureja var. rubro-rosea Ochoa -- Phytologia 65: 104. 1988 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian

Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum phureja Juz. & Bukasov var. rubroroseum Ochoa -- Phytologia 65(2): 104 (1988), as 'rubro-rosea'. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum phureja Juz. & Bukasov var. sanguineum Ochoa -- Phytologia 65(2): 103 (1988), as 'sanguineus'. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum phureja var. sanguineus Ochoa -- Phytologia 65: 103. 1988 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum phureja Juz. & Bukasov f. sayhuanimayo Ochoa -- Phytologia 65(2): 103 (1988). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum phureja f. sayhuanimayo Ochoa -- Phytologia 65: 101. 1988 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum phureja f. timusi Ochoa -- Phytologia 65: 104. 1988 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum phureja Juz. & Bukasov f. timusi Ochoa -- Phytologia 65(2): 104 (1988). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum phureja f. viuda Ochoa -- Phytologia 65: 103. 1988 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum phureja Juz. & Bukasov f. viuda Ochoa -- Phytologia 65(2): 103 (1988). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum phyllanthum Cav. -- Icon. [Cavanilles] 4: 35 (t. 359). 1797 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum phyllanthum var. aberrans Witasek -- Anales Univ. Chile 124: 443. 1909 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum phyllanthum var. crassipes Witasek -- Anales Univ. Chile 124: 443. 1909 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum phyllanthus var. maius Nees -- Nov. Actorum Acad. Caes. Leop.-Carol. Nat. Cur. 19(Suppl. 1): 387. 1843 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its

potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum phyllanthus var. minus Nees -- Nov. Actorum Acad. Caes. Leop.-Carol. Nat. Cur. 19(Suppl. 1): 387. 1843 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum physalidicalyx Bitter -- Repert. Spec. Nov. Regni Veg. 11: 212. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum physalidicalyx Bitter -- Repert. Spec. Nov. Regni Veg. 11: 212. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum physalidicalyx Bitter var. integrascens Bitter -- Repert. Spec. Nov. Regni Veg. 11: 213. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum physalidicalyx Bitter var. plurilobulatum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 213. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum physalifolium Rusby -- Mem. Torrey Bot. Club vi. 88. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L.

based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum physalifolium Rusby -- Memoirs of the Torrey Botanical Club 6 1896 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum physalifolium Rusby -- Mem. Torrey Bot. Club 6: 88. 1896 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum physalifolium Rusby -- Mem. Torrey Bot. Club 6: 88. 1896 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum physalifolium var. nitidibaccatum (Bitter) Edmonds -- Botanical Journal of the Linnean Society 92 1986 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum physalifolium Rusby var. nitidibaccatum (Bitter) Edmonds -- Bot. J. Linn. Soc. 92: 27. 1986 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum physalifolium Rusby var. nitidibaccatum (Bitter) J.M.Edmonds -- Bot. J. Linn. Soc. 92(1): 27 (1986):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum physaloides Dunal -- Prodr. [A. P. de Candolle] 13(1): 388. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum phytolaccoides Bitter -- Repert. Spec. Nov. Regni Veg. 13: 172. 1914 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum phytolaccoides (Rusby) Bitter as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum phytolaccoides Bitter -- Repert. Spec. Nov. Regni Veg. 13: 172. 1911 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum phytolaccoides C.H.Wright -- Bull. Misc. Inform. Kew 1894(88): 126. [Apr 1894] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum piceum A.R.Bean -- Nuytsia 23: 149. 2013 [9 May 2013] [epublished]

Purified Solanum pichinchense Bitter & Sodiro -- Repert. Spec. Nov. Regni Veg. 10: 533. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pichinchense Bitter & Sodiro -- Repert. Spec. Nov. Regni Veg. 10: 533. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pichinchense Bitter & Sodiro -- Repert. Spec. Nov. Regni Veg. 10: 533. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pierreanum Pailleux & Bois as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pierreanum Paill. & Bois -- in Bull. Soc. Nat. Acclim. France, xxxvii. 483 (1890). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pilcomayense Morong -- Ann. New York Acad. Sci. 7: 177. 1893 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pilcomayense Morong -- Ann. New York Acad. Sci. 7: 177. 1893 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pilcomayense Morong var. brevipetiolare Chodat -- Bull. Herb. Boissier ser. 2, 2: 811. 1902 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use

in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pilcomayense var. vicinum C.V.Morton -- Revis. Argentine Sp. Solanum 143. 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pilcomayense Morong var. vicinum C.V.Morton -- Revis. Argentine Sp. Solanum 143. 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum piliferum Benth. -- Pl. Hartw. [Bentham] 68. 1840 [Mar 1840] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum piliferum Benth. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum piligerum Dunal -- Prodr. [A. P. de Candolle] 13(1): 152. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pillahuatense Vargas -- Papas Sudper. Pt. 1, 90 (1949), sine descr. lat.; cf. Gray Herb. Card Cat. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pillahuatense Vargas -- Papas Sudper. Pt. 2, 53 (1954). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pillahuatense Vargas -- Papas Sudper. 2: 53 (-54). 1956 1: 90. 1949 (Latin diagnosis lacking) as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pilosissimum M.Martens & Galeotti as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pilosissimum M.Martens & Galeotti -- in Bull. Acad. Brux. xii. I. 139. 1845 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pilosiusculum M.Martens & Galeotti -- in Bull. Acad. Brux. xii. I. 136. 1845 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pilosiusculum M.Martens & Galeotti as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pilosum Raf. -- Autik. Bot. 108. 1840 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races

(Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum piluliferum Dunal -- Prodr. [A. P. de Candolle] 13(1): 265. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum piluliferum Dunal -- Prodr. [A. P. de Candolle] 13(1): 265. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum piluliferum Dunal var. densiflorum (Sendtn.) Dunal as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pimpinellifolium L. -- Cent. Pl. I. 8. 1755 [19 Feb 1755] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pimpinellifolium Mill. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 25. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pimpinelloides Hill -- Veg. Syst. ix. 36. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pinetorum (L.B.Sm. & Downs) Bohs -- Taxon 44(4): 586 (1995):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pinnatifidum Cárdenas -- Rev. Agric., Cochabamba-Boliv. ii. No. 2. 33 (1944). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pinnatifidum Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 37. 1799 ; nom. illeg. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pinnatifidum Cárdenas -- Revista Agric. (Cochabamba) 2, no. 2: 33, fig. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pinnatifidum Lam. -- Tabl. Encycl. 2: 17. 1794 [10 Apr 1794] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pinnatifidum Roth -- Nov. Pl. Sp. 129. 1821 [Apr 1821] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pinnatifolium Salisb. -- Prodr. Stirp. Chap. Allerton 133. 1796 [Nov-Dec 1796] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in

combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pinnatisectum Dunal -- Prodr. [A. P. de Candolle] 13(1): 40. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pinnatisectum Dunal -- Prodr. [A. P. de Candolle] 13(1): 40. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pinnatisectum var. heptazygum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 50. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pinnatum Bert. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 70. 1852 [10 May 1852] ; nom. inval. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pinnatum Cav. -- Icon. [Cavanilles] 5: 23 (t. 439). 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pinnatum Willd. ex Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 664. 1819 ; nom. inval. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pinnatum var. subintegrifolium Reiche -- Anales Univ. Chile 124: 450. 1909 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pinnatum Cav. var. tomentosum Reiche -- Anales Univ. Chile 124: 450. 1909 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pintoi R.Castillo -- Revista Acad. Colomb. Ci. Exact. 17(67): 783. 1990 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pintoi Castillo -- Revista Acad. Colomb. Ci. Exact. 17: 783 (-784), figs. 1, 2. 1990 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum piperiferum A.Rich. -- Tent. Fl. Abyss. 2: 106. 1850 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pisinnum A.R.Bean -- Austrobaileya 8(2): 165 (-166; fig. 1, map). 2010 [7 Dec 2010]

Purified Solanum pissisi (Phil.) Reiche -- Anales Univ. Chile 124: 743. 1909 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pittieri Bitter -- Repert. Spec. Nov. Regni Veg. 12: 66. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum prinophyllum Dunal -- Prodr. [A. P. de Candolle] 13(1): 296. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum prinophyllum Dunal -- Prodromus 13(1) 1852 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum prionopterum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 5. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum prionopterum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 5. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum probolospermum Bitter -- Bot. Jahrb. Syst. 54(3, Beibl. 119): 10. 1916 [4 Oct 1916] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum proboluspermum Bitter -- Bot. Jahrb. Syst. 54(3, Beibl. 119): 10. 1916 [4 Oct 1916] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum probstianum Polgar -- Mitt. Naturf. Ges. Solothurn xii. 30 (1938), sp. nov. ad int. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum procumbens Lour. -- Fl. Cochinch. 1: 132. 1790 [Sep 1790] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum procumbens Poir. -- Encycl. [J. Lamarck & al.] 4(1): 308. 1797 [9 Feb 1797] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum procumbens DC. -- Fl. Franc. [de Candolle & Lamarck], ed. 3. 3: 611. 1805 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum × procurrens A.C.Leslie -- Watsonia 12(1): 29. 1978 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum profundeincisum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 80. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum profundeincisum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 80. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum profunderugosum (Bitter) C.V.Morton -- Contr. U.S. Natl. Herb. xxix. 57 (1944). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum profunderugosum (Bitter) C.V.Morton -- Contr. U.S. Natl. Herb. 29: 57. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum profusum C.V.Morton -- Revis. Argentine Sp. Solanum 86. 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum profusum C.V.Morton -- Revis. Argentine Sp. Solanum 86, figs. 1M-P, 6. 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum prolatum A.R.Bean -- Austrobaileya 9(2): 225. 2014 [3 Dec 2014]

Purified Solanum pronum Thulin -- Kew Bull. 64(3): 491 (-493; fig. 1). 2009

Purified Solanum propinquum M.Martens & Galeotti -- in Bull. Acad. Brux. xii. I. 143. 1845 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum prostratum Raeusch. -- Nomencl. Bot. [Raeusch.] ed. 3, 60. 1797 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum proteanthum Bohs -- Taxon 44(4): 585 (1995), nom. nov.:. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum protodasypogon Bitter -- Repert. Spec. Nov. Regni Veg. Beih. 16: 173. 1923 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pruinosum Dunal -- Prodr. [A. P. de Candolle] 13(1): 58. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pruinosum var. phyllolophum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 77. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum prunifolium Willd. ex Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 662. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pruriens Dunal -- Prodr. [A. P. de Candolle] 13(1): 120. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pruriens Dunal -- Prodr. [A. P. de Candolle] 13(1): 120. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseuderanthemoides Schltr. -- Bot. Jahrb. Syst. 40(3, Beibl. 92): 33. 1908 [24 Jan 1908] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudoamericanum Särkinen, P.Gonzáles & S.Knapp -- PhytoKeys 31: 10. 2013 [16 Dec 2013] [epublished]

Purified Solanum pseudoauriculatum Chodat & Hassl. -- Bull. Herb. Boissier Ser. II. iv. 81. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudoauriculatum Chodat & Hassl. -- Bull. Herb. Boissier ser. 2, 4: 81. 1903 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudocapsicum L. -- Sp. Pl. 1: 184. 1753 [1 May 1753] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudocapsicum L. -- Sp. Pl. 1: 184. 1753 [1 May 1753] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudocapsicum L. -- Species Plantarum 2 1753 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudocapsicum L. var. ambiguum Hassl. -- Repert. Spec. Nov. Regni Veg. 15: 223. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudocapsicum L. f. calvescens Hassl. -- Repert. Spec. Nov. Regni Veg. 15: 223. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudocapsicum L. f. calvescens Hassl. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudocapsicum L. subsp. diflorum Hassl. -- Repert. Spec. Nov. Regni Veg. 15: 221. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudocapsicum L. var. hygrophilum Hassl. -- Repert. Spec. Nov. Regni Veg. 15: 223. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudocapsicum L. var. normale Kuntze -- Revis. Gen. Pl. 3[3]: 227. 1898 [28 Sep 1898] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudocapsicum L. var. parvifolium Kuntze -- Revis. Gen. Pl. 3[3]: 227. 1898 [28 Sep 1898] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudocapsicum L. f. pilosulum Hassl. -- Repert. Spec. Nov. Regni Veg. 15: 221. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudocapsicum [infrasp.unranked] pilosum Kuntze -- Revis. Gen. Pl. 3[3]: 227. 1898 [28 Sep 1898] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudocapsicum L. var. sendtnerianum Hassl. -- Repert. Spec. Nov. Regni Veg. 15: 223. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudocapsicum L. var. typicum Hassl. -- Repert. Spec. Nov. Regni Veg. 15: 223. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudochina Spreng. -- Syst. Veg., ed. 16 [Sprengel] 4(2, Cur. Post.): 71, sphalm. 1827 [Jan-Jun 1827] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudodaphnopsis L.A.Mentz & Stehmann -- Novon 13(1): 97. 2003 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudodaphnopsis L.A.Mentz & Stehmann -- Novon 13(1): 97 (-100; fig. 1). 2003 [25 Mar 2003] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudoflavum Pojark. -- Bot. Mater. Gerb. Bot. Inst. Komarova Akad. Nauk S.S.S.R. 17: 338. 1955 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudogeminifolium Dammer -- Bot. Jahrb. Syst. 48(1-2): 249. 1912 [27 Feb 1912] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudoglabrescens Klotzsch -- Reis. Br.-Guiana [Ri. Schomburgk] 3: 1154, nomen. 1849 [1848 publ. 7-10 Mar 1849] ; vol. 3 is titled: " Versuch einer Fauna und Flora von Britisch-Guiana". as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudogracile Heiser -- Bot. J. Linn. Soc. 76: 294. 1978 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudogracile Heiser -- Bot. J. Linn. Soc. 76(4): 294. 1978 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Club 26(4): 193. 1899 [12 Apr 1899] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudolycioides Chodat & Hassl. -- Bull. Herb. Boissier ser. 2: 4: 84. 1903 as pseudo-lyccoides as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudolycopersicum Jacq. -- Hort. Bot. Vindob. 1: 4 (t. 11). 1770 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudolycopersicum Jacq. -- Hort. Vindob. i. 4. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudomegalochiton Witasek -- in Denkschr. Akad. Wiss. Wien lxxix. 335 (1910); Just's Bot. Jahresb. xxxix. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudomegalochiton Witasek -- Denkschr. Kaiserl. Akad. Wiss., Wien. Math.-Naturwiss. Kl. 79: 335. 1910 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudomegalochiton var. dunalii Witasek -- Denkschr. Kaiserl. Akad. Wiss., Wien. Math.-Naturwiss. Kl. 79: 336. 1931 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudomelongena Ten. -- Ann. Sci. Nat., Bot. ser. 3, 14: 345. 1850 (as "Pseudo-Melongena")

Purified Solanum pseudomelongena Ten. -- Index Seminum [Naples (Neapolitano)] 1851: 4, adnot. 2. [1851] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudopersicum Pojark. -- Bot. Mater. Gerb. Bot. Inst. Komarova Akad. Nauk S.S.S.R. 17: 328. 1955 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudoquina A.St.-Hil. -- Pl. Usuel. Bras. 5: t. 21. 1824 [1825] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia

L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudoquina A.St.-Hil. -- Pl. Us. Bres. t. 21. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudosaponaceum Blume -- Bijdr. Fl. Ned. Ind. 13: 702. 1826 [24 Jan 1826] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudospinosum C.H.Wright -- Fl. Trop. Afr. [Oliver et al.] 4(2.2): 220. 1906 [Feb 1906] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudostipulatum (Hassl.) Bukasov -- Revista Argent. Agron. 2: 180. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudosycophanta Farruggia -- PhytoKeys 1: 74 (-77; figs. 2-3). 2010 [1 Nov 2010]

Purified Solanum pseudoundatum Blume -- Bijdr. Fl. Ned. Ind. 13: 699. 1826 [24 Jan 1826] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pseudovillosum Schur -- Enum. Pl. Transsilv. 477. 1866 [Apr-Jun 1866] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum psidiifolium Rusby -- Bull. Torrey Bot. Club 26(4): 194. 1899 [12 Apr 1899] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum psidiifolium Rusby -- Bull. Torrey Bot. Club 26(4): 194. 1899 [12 Apr 1899] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum psilophyllum Stehmann & Giacomin -- PhytoKeys 47: 30. 2015 [10 Mar 2015] [epublished]

Purified Solanum psilostylum Dammer -- Pflanzenw. Ost-Afrikas C (1895) 354. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum psychotrioides Humb. & Bonpl. ex Dunal -- Solan. Syn. 21. 1816 [Oct 1816] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pteleifolium Sendtn. -- Fl. Bras. (Martius) 10: 15. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pterocaulon Rchb. ex Nyman -- Consp. Fl. Eur. 3: 526. 1881 [prob. Jul 1881] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pterocaulum Dunal -- Hist. Nat. Solanum 153. 1813 [19 Mar 1813] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pterocaulum Dunal -- Histoire Naturelle, m?dicale et ?conomique des Solanum 1813 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pterocladum Van Heurck & Müll.Arg. -- Observ. Bot. (Van Heurck) 44. 1870 [1 Jun 1870] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum pteropodum Humb. & Bonpl. ex Dunal -- Solan. Syn. 14. 1816 [Oct 1816] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum roemerianum Scheele -- Linnaea 21: 767. 1849 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum rogaguense Rusby -- Mem. New York Bot. Gard. 7: 346. 1927 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum rogaguense Rusby -- Mem. New York Bot. Gard. vii. 346 (1927). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian

Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum rogersii S.Moore -- J. Bot. 58: 78. 1920 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum rohrii C.H.Wright -- Bull. Misc. Inform. Kew 1894(88): 128. [Apr 1894] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum rojasianum (Standl. & Steyerm.) Bohs -- Taxon 44(4): 586 (1995):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum rojasii Chodat -- Bull. Soc. Bot. Genève ser. 2, 8: 150, fig. 45. 1916 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum rojasii Chodat -- Veg. Parag. 68 (1916). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum roseum Bohs -- Taxon 44: 584. 1995 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum roseum Bohs -- Taxon 44(4): 584 (1995), nom. nov.:. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum roseum Bohs -- Taxon 44(4): 584. 1995 [15 Nov 1995] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum rossii Knowl. & Westc. -- Flor. Cab. ii. (1838) 141. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum rostellatum Merr. & L.M.Perry -- J. Arnold Arbor. xxx. 51 (1949). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum rostratum Dunal -- Histoire Naturelle, m?dicale et ?conomique de Solanum 1813 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum rostratum L'Hér. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 328. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum rostratum Dunal -- Hist. Nat. Solanum 234. 1813 [19 Mar 1813] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian

Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum rostratum Dunal as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum rostratum Dunal var. subintegrum Fernald -- Proc. Amer. Acad. Arts 36: 502. 1901 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum rosulatum Rusby -- Bull. New York Bot. Gard. 4: 418. 1907 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum rosulatum Rusby -- Bull. New York Bot. Gard. iv. 418 (1907). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum rothelianum Steud. -- Nomencl. Bot. [Steudel], ed. 2. ii. 605, sphalm. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum rothii Dunal -- Prodr. [A. P. de Candolle] 13(1): 383, nomen. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum rottboellianum Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 668. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum rotundifolium Moric. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 301. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum rovirosanum Donn.Sm. -- Bot. Gaz. 48: 297. 1909 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum rovirosanum Donn.Sm. -- Bot. Gaz. 48: 397. 1909 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum rovirosanum Donn.Sm. -- Bot. Gaz. 48: 297. 1909 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum roxburghii Dunal ex D.Don -- Prodr. Fl. Nepal. 96. 1825 [26 Jan-1 Feb 1825] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum roxburghii Dunal -- Prodr. [A. P. de Candolle] 13(1): 57. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ruandae Bitter -- Bot. Jahrb. Syst. 54(4): 471. 1917 [13 Mar 1917] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum rubetorum Dunal -- Prodr. [A. Purified Solanum sarrachoides Sendtn. -- Flora Brasiliensis 10 1846 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum saruwagedense Symon -- J. Adelaide Bot. Gard. 8: 120. 1985 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sassafrideum Rusby -- Mem. New York Bot. Gard. 7: 348. 1927 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sassafrideum Rusby -- Mem. New York Bot. Gard. vii. 348 (1927). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sativum Dunal -- Prodr. [A. P. de Candolle] 13(1): 360. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum saturatum M.Nee -- Brittonia 58(4): 348 (-350; fig. 11). 2006 [28 Dec 2006]

Purified Solanum savaiense Witasek -- Repert. Spec. Nov. Regni Veg. 5: 163. 1908 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum savanillense Bitter -- Repert. Spec. Nov. Regni Veg. 12: 66. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum savanillense Bitter -- Repert. Spec. Nov. Regni Veg. 12: 66. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum savannarum Rib.-Silva & Proença -- Novon 21(4): 487. 2011 [29 Dec 2011]

Purified Solanum sawyeri Ochoa -- Amer. Potato J. 58(12): 650 (1981). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum saxatile Ochoa -- Phytologia 73(5): 378, fig. 1992 [23 Dec 1992] , as 'saxatilis'. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum saxatile Ochoa -- Phytologia 73(5): 378. 1992 [23 Dec 1992] , as 'saxatilis'. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum scaberrimum Dunal -- Prodr. [A. P. de Candolle] 13(1): 349. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum scabridum Dunal -- Prodr. [A. P. de Candolle] 13(1): 253. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum scabridum Dunal -- Prodr. [A. P. de Candolle] 13(1): 253. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum scabrifolium Ochoa -- Darwiniana 17: 427. 1972 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum scabrifolium Ochoa -- Darwiniana 17: 427, fig. 1. 1972 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum scabrum Jacq. -- Pl. Rar. Hort. Schoenbr. 3: 45. 1798 ; nom. illeg. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum scabrum Vahl -- Eclog. Amer. 1: 22. 1797 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum scabrum Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 39. 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum scabrum Vahl as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum scabrum Mill. -- Gard. Dict., ed. 8. n. 6. 1768 [16 Apr 1768] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian

Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum scabrum Zuccagni -- Cent. Observ. Bot. [p. 21] No. 50. 1806 [Apr 1806 publ. Dec 1806] ; preprinted from J.J. Roemer's Collecteana, see p. 133 (1806-1810) as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum scabrum Kunth -- Nov. Gen. Sp. [H.B.K.] iii. 41. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum scabrum Mill. -- The Gardeners Dictionary 1768 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum scabrum Lam. -- Tabl. Encycl. ii. 18. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum scabrum Mill. subsp. laevis Olet -- Taxon. Solanum sect. Solanum Uganda Paper IV: 4 (-5; fig. 1). 2004 ; and in Novon 16(4): 510 (-511; fig. 1). 19 Dec 2006

Purified Solanum scalare C.H.Wright -- J. Linn. Soc., Bot. 30: 93. 1894 [1893-1895 publ. 1894] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum scandens Comm. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 88. 1852 [10 May 1852] ; nom. inval. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum scandens L. -- Pl. Surin. 6. 1775 [23 Jun 1775] ; nom. illeg. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum schlechterianum Bitter -- Bot. Jahrb. Syst. 55(1): 111. 1917 [27 Nov 1917] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum schliebenii Werderm. -- Notizbl. Bot. Gart. Berlin-Dahlem 12: 92. 1934 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum schlimii Bitter -- Repert. Spec. Nov. Regni Veg. 16: 85. 1919 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum schlimii Bitter -- Repert. Spec. Nov. Regni Veg. 16: 85. 1919 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum schneideri F.Phil. -- Cat. Pl. Vasc. Chil. 229. 1881 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum schoenbrunnense Dunal -- Prodr. [A. P. de Candolle] 13(1): 365. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum schomburgkii Sendtn. -- Fl. Bras. (Martius) 10: 55. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum schrankii Steud. -- Nomencl. Bot. [Steudel], ed. 2. ii. 606. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum schreberianum Sendtn. -- Fl. Bras. (Martius) 10: 85. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum schreiteri Bukasov -- Bull. Acad. Sc. URSS 1938, Ser. Biol., 715, nomen subnudum. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum schroederi Dammer -- Bot. Jahrb. Syst. 48(1-2): 250. 1912 [27 Feb 1912] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum schuchii Sendtn. -- Fl. Bras. (Martius) 10: 101. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian

Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum schultesii Opiz -- Bercht. & Opiz, Okon.-techn. Fl. Bohm. iii. 24. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum schulzianum Urb. -- Symb. Antill. (Urban). 5(3): 488. 1908 [20 May 1908] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum schulzianum Urb. -- Symb. Antill. (Urban). 5(3): 488. 1908 [20 May 1908] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum schumannianum Dammer -- Pflanzenw. Ost-Afrikas C (1895) 352. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum schumannianum Dammer var. austerum Bitter -- Bot. Jahrb. Syst. 57(2): 264. 1921 [6 May 1921]

Purified Solanum schumannianum Dammer var. subulatum (C.H.Wright) Edmonds -- Fl. Trop. E. Africa, Solan. 156. 2012 [Feb 2012]

Purified Solanum schwackeanum L.B.Sm. & Downs -- Phytologia x. 428 (1964). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum schwackeanum L.B.Sm. & Downs -- Phytologia 10: 428. 1964 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum schwackei Glaz. -- Bull. Soc. Bot. France 58(Mém. 3f): 494. 1911 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum schwackei Glaz. -- Bull. Soc. Bot. France 58(Mém. 3f): 494, nomen. 1911 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sciadostylis (Sendtn.) Bohs -- Taxon 44(4): 586 (1995):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sciaphilum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 220. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sciaphilum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 220. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum scindicum Prain -- J. Asiat. Soc. Bengal, Pt. 2, Nat. Hist. 65: 542. 1896 [1 Oct 1896] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in

combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sclareifolium Dunal -- Prodr. [A. P. de Candolle] 13(1): 118. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum scolophyllum A.R.Bean -- Austrobaileya 9(4): 593. 2016 [8 Dec 2016]

Purified Solanum scopulorum Kerr ex Barnett -- Kew Bull. 16(3): 486. 1963 [27 Feb 1963] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum scorpioideum Rusby -- Descr. S. Amer. Pl. 113. 1920 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum scorpioideum Rusby -- Descr. S. Amer. Pl. 113 (1920). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum scotinonectarium Bitter -- Repert. Spec. Nov. Regni Veg. 10: 560. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum scotionectarium Bitter -- Repert. Spec. Nov. Regni Veg. 10: 560. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum scuticum M.Nee -- Brittonia 58(4): 350. 2006 [28 Dec 2006]

Purified Solanum seaforthianum Andrews -- The Botanists Repository 8 1808 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum seaforthianum Andrews -- Bot. Repos. t. 504. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum seaforthianum Andrews -- Bot. Repos. 8: t. 504. 1808 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum seaforthianum var. disjunctum O.E.Schulz -- Symb. Antill. (Urban). 6(1): 169. 1909 [15 Jul 1909] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum secedens Dammer -- Bot. Jahrb. Syst. 53(3-5): 345. 1915 [19 Oct 1915] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum secundum Bitter & O.Moritz -- Repert. Spec. Nov. Regni Veg. 16: 391. 1920 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum secundum Bitter & Moritz -- Repert. Spec. Nov. Regni Veg. 16: 391. 1920 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum seedii Horne ex Baker -- J. Linn. Soc., Bot. 20: 369. 1883 [1884 publ. 1883] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum seitheae Symon -- J. Adelaide Bot. Gard. 4: 201. 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum seitheae Symon -- Journal of the Adelaide Botanic Gardens 4 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sejunctum Brennan, Martine & Symon -- Beagle 22: 2 (-4; fig. 1-2). 2006 [Dec 2006]

Purified Solanum selachophyllum Bitter -- Repert. Spec. Nov. Regni Veg. 16: 82. 1919 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum selachophyllum Bitter -- Repert. Spec. Nov. Regni Veg. 16: 82. 1919 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

Purified Solanum semidemissum Juz. & Juz. -- Bull. Acad. Sc. URSS 1937, Ser. Biol. 314, latine. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum semidemissum Juz. ex Bukasov -- Trudy Prikl. Bot. 47: 60, 480. 1930 Nomen; Bull. Acad. Sci. URSS. ser. Biol. no. 2: 314. 1937. Mexico (Mexico) as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal

Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum semievectum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 542. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum semievectum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 542. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum semilobatum H.St.John -- Native Hawaiian Sp. Solanum 23, nom. nov., as 'sp. nov.'. 1988 [Jun 1988] ; Hawaiian Pl. Stud. 82 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum semilobatum H.St.John -- Phytologia 64(3): 171 (1988). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum semiscandens Bitter -- Repert. Spec. Nov. Regni Veg. 12: 142. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum semiscandens Bitter -- Repert. Spec. Nov. Regni Veg. 12: 142. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum semotum M.Nee -- Bol. Mus. Paraense "Emilio Goeldi," N.S., Bot. 7(2): 515. 1991 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum semotum M.Nee -- Bol. Mus. Paraense "Emilio Goeldi," N.S., Bot. 7: 515 (-516). 1991 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sempervirens Mill. -- Gard. Dict., ed. 8. n. 25. 1768 [16 Apr 1768] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sempervirens Dunal -- Prodr. [A. P. de Candolle] 13(1): 88. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sendigena Juz. & Bukasov -- Trudy Prikl. Bot., Ser. A, Socialist. Rasteniev. 2: 72 (1932), in obs. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sendtnerianum Van Heurck & Müll.Arg. -- Observ. Bot. (Van Heurck) 75. 1870 [1 Jun 1870] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum senecioides Domb. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 65. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in

combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum senegambicum Dunal -- Prodr. [A. P. de Candolle] 13(1): 194. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sennii Chiov. -- Fl. Somala 2: 334. 1932 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum senticosum A.R.Bean -- Austrobaileya 6(4): 744 (-746; fig. 31). 2004

Purified Solanum sepiaceum Dammer -- Bot. Jahrb. Syst. 38(2): 192. 1906 [1907 publ. 14 Aug 1906] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sepicula Dunal -- Prodr. [A. P. de Candolle] 13(1): 283. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum septemlobum Phil. -- in Anal. Univ. Chil. xci. 10. 1895 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum septemlobum Phil. -- Anales Univ. Chile 91: 10. 1895 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk

Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum septemlobum Bunge -- Enum. Pl. China Bor. [A.A. von Bunge] 48. 1833 [Mar 1833] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum septemlobum Bunge var. ovoideocarpum C.Y.Wu & S.C.Huang -- Acta Phytotax. Sin. 16(2): 72. 1978 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum septemlobum Bunge var. subintegrifolium C.Y.Wu & S.C.Huang -- Acta Phytotax. Sin. 16(2): 73. 1978 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum seretii De Wild. -- Miss. Em. Laurent i. 439 (1907). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sericeum Vell. -- Fl. Flumin. 83. 1829 [1825 publ. 7 Sep-28 Nov 1829] ; see also Fl. Flumin. Icon. 2: t. 97. 1831. [1827 publ. 29 Oct 1831] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sericeum Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 33, t. 161. 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sericeum var. strigillosum Griseb. -- Abh. Königl. Ges. Wiss. Göttingen 24: 252. 1879 Symb. Fl. argent as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum serpens A.R.Bean -- Austrobaileya 6(2): 248 (2002). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum serpentinum Noronha -- Verh. Batav. Genootsch. Kunst. 5(Art. 4): 26; Desf. Cat. Hort. Par. ed.III. 115. 397. 1790 ; nom. inval. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum serratifolium A.DC. -- Prodr. [A. P. de Candolle] 13(1): 680. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum serratoris Ochoa -- Amer. Potato J. 67: 381. 1990 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum serratum Dunal -- Prodr. [A. P. de Candolle] 13(1): 146. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum serratum Blanco -- Fl. Filip. [F.M. Blanco] 136. 1837 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sessilantherum Gouvêa & Stehmann -- Phytotaxa 288(2): 125. 2016 [14 Dec 2016] [epublished]

Purified Solanum sessile Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 35, t. 167. 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sessiliflorum Dunal in Poir. -- Encycl. [J. Lamarck & al.] Suppl. 3. 775. 1814 [3 Sep 1814] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sessiliflorum Dunal -- Solan. Syn. 43. 1816 [Oct 1816] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sessiliflorum Dunal -- in J.L.M. Poiret, Encycl. Méthod., Bot. Supp. 3: 775 (1814). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sessiliflorum var. georgicum (R.E.Schult.) Whalen -- Gentes Herbarum 12: 81. 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sessiliflorum Dunal var. georgicum (R.E.Schult.) Whalen -- Gentes Herbarum 12(2): 81. 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sessilistellatum Bitter -- Repert. Spec. Nov. Regni Veg. Beih. 16: 187. 1923 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum setaceum Dammer -- Pflanzenw. Ost-Afrikas C (1895) 253. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum setaceum Dammer -- Bot. Jahrb. Syst. 38(2): 190, descr. ampl. 1906 [1907 publ. 14 Aug 1906] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum setigeroides (Whalen) S.R.Stern -- J. Bot. Res. Inst. Texas 8(1): 5. 2014 [9 Jul 2014]

Purified Solanum setosicalyx Rusby -- Mem. New York Bot. Gard. 7: 344. 1927 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum setosicalyx Rusby -- Mem. New York Bot. Gard. vii. 344 (1927). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia

L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum setosissimum Bitter ex L.A.Mentz & M.Nee -- Pesquisas, Bot. 53: 164 (2003).

Purified Solanum setosum Bitter -- Repert. Spec. Nov. Regni Veg. 18: 307. 1922 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Bot. lxxxix. 578 (1929), hybr. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sibundoyense (Bohs) Bohs -- Taxon 44(4): 586 (1995):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sicuanum Hawkes -- Potato, Evolution, Biodivers. & Gen. Res. 148 (1990), nom. nov.:. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sideroxanthum Dunal -- Prodr. [A. P. de Candolle] 13(1): 228. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sideroxyloides Schltdl. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sideroxyloides Schltdl. -- Linnaea 8: 253. 1833 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sideroxyloides var. ocellatum Donn.Sm. -- Bot. Gaz. 14: 28. 1889 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sidifolium Speg. -- Contr. Fl. Sierra Vent. 46. 1896 [14 Aug 1896] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sidifolium Speg. -- Contr. Fl. Sierra Vent. 46. 1896 [14 Aug 1896] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sieberi Van Heurck & Müll.Arg. -- Observ. Bot. (Van Heurck) 56. 1870 [1 Jun 1870] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sieberianum Dunal -- Prodr. [A. P. de Candolle] 13(1): 107. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sieglingii André -- Pl. Feuill. Ornem. 225. 1866

Purified Solanum silarium Buch.-Ham. ex Wall. -- Numer. List [Wallich] n. 2627. 1831 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum silvestre A.R.Bean -- Telopea 9(3): 655. 2002 [2001 publ. 5 Jan 2002] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum simile F.Muell. -- in Trans. Phil. Soc. Vict. i. (1855) 19. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum simile F.Muell. -- Transactions of the Philosophical Society of Victoria 1 1854 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum simile var. capsiciforme Domin -- Repertorium Specierum Novarum Regni Vegetabilis 12 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum simile var. fasciculatum Domin -- Bibliotheca Botanica 89(4) 1928 = Bibliotheca Botanica Heft 89 (Dec. 1929) 575 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum simile var. fasciculatum (F.Muell.) Domin -- Repertorium Specierum Novarum Regni Vegetabilis 12 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum simile var. fasciculatum J.M.Black -- Flora of South Australia 3 1986 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum simile var. simile F.Muell. -- Repertorium Specierum Novarum Regni Vegetabilis 12 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum simile var. typicum Domin -- Repertorium Specierum Novarum Regni Vegetabilis 12 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum simplex Dunal -- Prodr. [A. P. de Candolle] 13(1): 272. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum simplicifolium Bitter -- Repert. Spec. Nov. Regni Veg. 11: 369. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum simplicifolium Bitter -- Repert. Spec. Nov. Regni Veg. 11: 369. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum simplicifolium subsp. gigantophyllum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 445. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum simplicifolium Bitter subsp. gigantophyllum (Bitter) Bitter as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum simplicifolium Bitter var. metriophyllum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 445. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum simplicifolium Bitter subsp. microdontum (Bitter) Hawkes -- Rep. (Annual) Scott. Pl. Breed. Sta. 92. 1956 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum simplicifolium Bitter var. mollifrons Bitter -- Repert. Spec. Nov. Regni Veg. 12: 445. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum simplicifolium var. trimerophyllum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 446. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum simplicifolium Bitter var. variabile E.Brucher & Hans Ross -- Lilloa 26, 465. 1953 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum simplicissimum Ochoa -- Revista Acad. Colomb. Ci. Exact. 17(65): 321. 1989 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sinaicum Boiss. -- Diagn. Pl. Orient. ser. 1, 11: 135. 1849 [Mar-Apr 1849] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sinclairii Bitter -- Repert. Spec. Nov. Regni Veg. 11: 445. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sinclairii Hort as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sinense Blanco -- Fl. Filip. [F.M. Blanco] 137. 1837 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum singuliflorum Steud. -- Nomencl. Bot. [Steudel], ed. 2. ii. 606. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian

Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sinuatiexcisum Bitter -- Repert. Spec. Nov. Regni Veg. 10: 558. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sinuatiexcisum Bitter -- Repert. Spec. Nov. Regni Veg. 10: 558. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sinuatifolium Vell. -- Fl. Flumin. 91. 1829 [1825 publ. 7 Sep-28 Nov 1829] ; see also Fl. Flumin. Icon. 2: t. 132. 1831. [1827 publ. 29 Oct 1831] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sinuatirecurvum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 211. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sinuatirecurvum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 241. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sinuatirecurvum Bitter subsp. crispatellum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 242. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sinuato-repandum K.Braun -- Tropenpflanzer xxix. 268 (1926), in obs. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sinuatum Willd. -- Sp. Pl., ed. 4 [Willdenow] 1(2): 1043. 1798 [Jul 1798] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sinuatum Ait. ex Loudon -- Hort. Brit. [Loudon], ed. 3. 673. 1839 ; second additional supplement (cited in IK as 'Hort. Brit. Suppl. ii.') as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sinuatum Salisb. -- Prodr. Stirp. Chap. Allerton 134. 1796 [Nov-Dec 1796] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum siparunoides Ewan -- in Nat. Hist. Misc., Chicago No. 94, 1 (1952); cf. Gray Herb. Card Cat. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum siparunoides Ewan -- Bull. Nat. Hist. Surv. Chicago Acad. Sci. no. 94: [1]. 1952 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum siphonobasis Bitter -- Repert. Spec. Nov. Regni Veg. 12: 72. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum siphonobasis Bitter -- Repert. Spec. Nov. Regni Veg. 12: 72. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sipolisii Glaz. -- Bull. Soc. Bot. France 58(Mém. 3f): 493, nomen. 1911 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sipolisii Glaz. -- Bull. Soc. Bot. France 58(Mém. 3f): 493. 1911 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sisleyanum Lambertye -- Rev. Hort. [Paris]. (1868) 470. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sisymbrifolium Lam. -- Tableau Encyclop?dique et M?thodique 2 1794 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sisymbriifolium Lam. -- Tabl. Encycl. ii. 25. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal

Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sisymbriifolium Lam. -- Tabl. Purified Solanum stelligerum var. magnifolium Benth. -- Flora Australiensis 4 1868 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stelligerum var. procumbens C.T.White -- Proceedings of the Royal Society of Queensland 55 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stelligerum var. stelligerum Sm. -- Flora Australiensis 4 1868 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stenandrum Sendtn. -- Fl. Bras. (Martius) 10: 68. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stenandrum Dunal -- Prodr. [A. P. de Candolle] 13(1): 270. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stenolobum Van Heurck as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stenolobum Van Heurck & Müll.Arg. -- Observ. Bot. (Van Heurck) 69. 1870 [1 Jun 1870] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stenolobum Van Heurck & Müll.Arg. -- Observ. Bot. (Van Heurck) 69. 1870 [1 Jun 1870] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stenopetalum A.Braun -- Append. Sp. Hort. Berol. 1853 8. 1853 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stenophyllidium Bitter -- Repert. Spec. Nov. Regni Veg. 12: 51. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stenophyllidium Bitter -- Repert. Spec. Nov. Regni Veg. 12: 51. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stenophyllum Humb. & Bonpl. ex Dunal -- Solan. Syn. 15. 1816 [Oct 1816] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stenopterum A.R.Bean -- Austrobaileya 6(4): 734 (-736; fig. 28). 2004

Purified Solanum stenorchideum St.-Lag. -- Ann. Soc. Bot. Lyon vii. (1880) 135. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stenorchis Dunal -- Prodr. [A. P. de Candolle] 13(1): 270. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stenotomum Juz. & Bukasov -- Trudy Vsesoyuzn. S"ezda Gen. Selekts. Semenov. Plemen. Zhivotnov. 3: 604. 1930 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stenotomum Juz. & Bukasov -- in Trudy Vsesoyuzn. Syezda Genetike. iii. 604 (1929); cf. Gray Herb. Card Cat. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stenotomum Juz. & Bukasov -- Bull. Applied Bot., Leningrad, Suppl. 47, pp. 35, 474 (1930), in obs. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stenotomum f. alcay-imilla Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 2: 59, fig. 60. 1944 Cultivated in Bolivia. Without Latin diagnosis. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stenotomum f. alkka-phinu Ochoa -- Phytologia 65: 104. 1988 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stenotomum Juz. & Bukasov f. alkka-phinu Ochoa -- Phytologia 65(2): 104 (1988), as 'alkka-phiñu'. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stenotomum f. alkka-pitiquina Ochoa -- Phytologia 65: 105. 1988 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stenotomum Juz. & Bukasov f. alkka-pitiquina Ochoa -- Phytologia 65(2): 105 (1988), as 'alkka-pitiquiña'. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stenotomum Juz. & Bukasov var. ari-chuwa Ochoa -- Phytologia 65(2): 105 (1988). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stenotomum var. ari-chuwa Ochoa -- Phytologia 65: 105. 1988 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stoloniferum Schlecht. & Bouché subsp. moreliae Hawkes -- Potato, Evolution, Biodivers. & Gen. Res. 191 (1990). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stoloniferum Schltdl. var. pumilum M.Martens & Galeotti -- Bull. Acad. Roy. Sci. Bruxelles 12(1): 138. 1845 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and

Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stolzii Dammer -- Bot. Jahrb. Syst. 53(3-5): 327. 1915 [19 Oct 1915] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum storkii C.V.Morton & Standl. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 18: 1093. 1938 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum storkii C.V.Morton & Standl. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 18: 1093. 1938 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stramoniifolium Jacq. -- Misc. Austriac. [Jacquin] ii. 298. 1781 [late 1781 or early 1782] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stramoniifolium Pav. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 346. 1852 [10 May 1852] ; nom. inval. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stramoniifolium Jacq. -- Misc. Austriac. [Jacquin] 2: 298 (-299). 1781 [late 1781 or early 1782] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stramoniifolium Jacq. var. inerme (Dunal) Whalen -- Gentes Herbarum 12(2): 76. 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stramoniifolium Jacq. var. inerme (Dunal) Whalen -- Gentes Herbarum 12: 76. 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum strictum Zuccagni -- Cent. Observ. Bot. [p. 20] No. 49. 1806 [Apr 1806 publ. Dec 1806] ; preprinted from J.J. Roemer's Collecteana, see p. 132 (1806-1810) as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum strigosum Vand. -- Fasc. Pl. 10. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stuckertii Bitter as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stuckertii Bitter -- Repert. Spec. Nov. Regni Veg. 12: 461. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stuckertii Bitter -- Repert. Spec. Nov. Regni Veg. 12: 461. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stuckertii Bitter var. angustifrons Bitter -- Repert. Spec. Nov. Regni Veg. 12: 463. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stuckertii Bitter var. atrichostylum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 463. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stuckertii Bitter var. obrutum C.V.Morton -- Revis. Argentine Sp. Solanum 192. 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stuckertii Bitter var. obrutum C.V.Morton -- Revis. Argentine Sp. Solanum 192 (-193). 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stuckertii Bitter var. pilosistylum C.V.Morton -- Revis. Argentine Sp. Solanum 193 (-194). 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stuckertii Bitter var. pilosistylum C.V.Morton -- Revis. Argentine Sp. Solanum 193. 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stuckertii Bitter var. trichostylum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 463. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stuhlmannii Dammer -- Pflanzenw. Ost-Afrikas C (1895) 354. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum stupefactum Symon -- Austrobaileya 4(3): 435 (1995). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sturtianum F.Muell. -- Transactions of the Philosophical Society of Victoria 1 1854 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sturtianum F.Muell. -- in Trans. Phil. Soc. Vict. i. (1855) 19. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum sturtii F.Muell. -- Fragmenta Phytographiae Australiae 6 1868 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum styleanum Dunal as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum styleanum Dunal -- Prodr. [A. P. de Candolle] 13(1): 44. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum styraciflorum Schltr. -- Bot. Jahrb. Syst. 40(3, Beibl. 92): 34. 1908 [24 Jan 1908] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum styracifolium Willd. ex Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 663. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum styracioides Rusby -- Mem. Torrey Bot. Club 4: 230. 1895 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum styracioides Rusby -- Mem. Torrey Bot. Club iv. (1895) 230. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum suaveolens Bojer -- Hortus Maurit. 239. 1837 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L.

based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum suaveolens Kunth & C.D.Bouché -- Index Seminum [Berlin] 14. 1848 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum suaveolens var. balaoense Bitter -- Repert. Spec. Nov. Regni Veg. 11: 354. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum suaveolens var. chalarophyes Bitter -- Repert. Spec. Nov. Regni Veg. 11: 354. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Bot. xxxiii. 485 (1946). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tampicense Dunal -- Prodr. [A. P. de Candolle] 13(1): 284. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tanganikense Bitter -- Repert. Spec. Nov. Regni Veg. Beih. 16: 132. 1923 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tanysepalum S.Knapp -- Brittonia 38(3): 284 (1986). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tanysepalum S.Knapp -- Brittonia 38: 284 (-286), fig. 1986 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tapojense Ochoa -- Phytologia 46: 223. 1980 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tapojense Ochoa -- Phytologia 46(4): 223. 1980 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk

Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tarapacanum Phil. -- Anales Mus. Nac., Santiago de Chile (1891, 65. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tarapacanum Phil. -- Anales Mus. Nac., Santiago de Chile 1891: 65. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tarapotense Van Heurck & Müll.Arg. -- Observ. Bot. (Van Heurck) 38. 1870 [1 Jun 1870] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tarderemotum Bitter -- Repert. Spec. Nov. Regni Veg. 10: 547. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tarijense Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 20, 114. 1944 [Jun 1944] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tarijense Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 2: 20, 114, fig. 3. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine

Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tarijense Hawkes var. pojoense (Cárdenas) Correll -- Wrightia 2: 173. 1961 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tarmense (Bitter) C.V.Morton -- Contr. U.S. Natl. Herb. 29: 67. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tarmense Bukasov -- Potatoes (Theoretical Bases Pl. Breeding, ed. Vavilov, iii.) 19 (1937); J. G.Hawkes, Potato Collect. Exped. Mexico & S. Amer.: II. Syst. Classif. Collect.(Imp. Bur. Pl. Breeding & Genet., Cambr.) 78 (1944), in obs.:. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tarmense (Bitter) C.V.Morton -- Contr. U.S. Natl. Herb. xxix. 67 (1944):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tarnii Hawkes & Hjert. -- Phytologia 65(2): 114 (1988). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tarnii Hawkes & Hjert. -- Phytologia 65: 114 (-116). 1988 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tascalense Brücher -- Feddes Repert. 73: 104. 1966 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tascalense Brücher -- Feddes Repert. 73: 104, figs. 1966 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum taulisense Ochoa -- Lorentzia 4: 13 (1981). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum taulisense Ochoa -- Lorentzia no. 4: 13 (-14). 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tauschii Opiz -- Bercht. & Opiz, Okon.-techn. Fl. Bohm. iii. 20. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tectum Pers. -- Syn. Pl. [Persoon] 1: 227. 1805 [1 Apr-15 Jun 1805] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tegore Aubl. -- Hist. Pl. Guiane 1: 212, pl. 84. 1775 [Jun-Dec 1775] (as "Tegoré") as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in

combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tegore Aubl. -- Hist. Pl. Guiane 1: 212, t. 84. 1775 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tejucense Dunal -- Prodr. [A. Purified Solanum tenuissimum Sendtn. -- Fl. Bras. (Martius) 10: 67. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tepuiense S.Knapp -- Novon 1: 125, fig. 1. 1991 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tepuiense S.Knapp -- Novon 1(3): 125. 1991 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tequilense A.Gray ex S.Watson -- Proc. Amer. Acad. Arts xxii. (1887) 441. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tequilense A.Gray -- Proc. Amer. Acad. Arts 22: 441. 1887 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tergosericeum Ochoa -- Phytologia 88(2): 212 (-215; figs. 1-2). 2006 [Sep 2006]

Purified Solanum terminale Vell. -- Fl. Flumin. 84. 1829 [1825 publ. 7 Sep-28 Nov 1829] ; see also Fl. Flumin. Icon. 2: t. 101. 1831. [1827 publ. 29 Oct 1831] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum terminale Forssk. -- Fl. Aegypt.-Arab. 45. 1775 [1 Oct 1775] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ternatum Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 38, t. 172. 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ternifolium Werderm. -- Notizbl. Bot. Gart. Berlin-Dahlem 15: 57. 1940 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ternifolium Werderm. -- Notizbl. Bot. Gart. Berlin-Dahlem 15: 57. 1940 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum terraneum Symon -- J. Adelaide Bot. Gard. 4: 186. 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum terraneum Symon -- Journal of the Adelaide Botanic Gardens 4 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum testaceum O.E.Schulz -- Symb. Antill. (Urban). 7(3): 370. 1912 [1 Oct 1912] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum testaceum O.E.Schulz -- Symb. Antill. (Urban). 7(3): 370. 1912 [1 Oct 1912] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tetrachondrum Bitter -- Bot. Jahrb. Syst. 49(5): 565. 1913 [17 Jun 1913] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tetramerum Dunal -- Prodr. [A. P. de Candolle] 13(1): 681. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tetrandrum R.Br. -- Prodr. Fl. Nov. Holland. 445. 1810 [27 Mar 1810] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tetrandrum R.Br. -- Prodromus Florae Novae Hollandiae 1810 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tetrandrum Blume -- Cat. Gew. Buitenzorg (Blume) 55. 1823 [Feb-Sep 1823] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tetrandrum var. angustifolium Morrison -- The Journal of Botany 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tetrandrum var. floribundum Benth. -- Flora Australiensis 4 1868 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tetrandrum var. tetrandrum R.Br. -- Flora Australiensis 4 1868 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tetrapetalum Rusby -- Descr. S. Amer. Pl. 112 (1920). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tetrapetalum Rusby -- Descr. S. Amer. Pl. 112. 1920 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tetrathecum F.Muell. -- Fragm. (Mueller) 2(16): 165. 1861 [May 1861] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tetrathecum F.Muell. -- Fragmenta Phytographiae Australiae 2 1861 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tetricum Dunal -- Prodr. [A. P. de Candolle] 13(1): 205. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tettense Klotzsch -- Naturw. Reise Mossambique [Peters] 6(Bot., 1): 237. 1861 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tettense Klotzsch var. renschii (Vatke) A.E.Gonç. -- Kirkia 16(1): 89. 1997 [1996 publ. Aug 1997] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum texanum hort. ex Ten. -- Atti Reale Ist. Incorrag. Napoli viii. (1855) 328. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum texanum Dunal -- Prodr. [A. P. de Candolle] 13(1): 359. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum texense Engelm. & Gray -- Boston J. Nat. Hist. v. (1845) 227. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum thelopodium Sendtn. -- Fl. Bras. (Martius) 10: 46. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum thelopodium Sendtn. -- Fl. Bras. Kautschuk-Exped. 312, nomen. ; nom. inval. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum togoense Dammer -- Bot. Jahrb. Syst. 38(1): 59. 1905 [1907 publ. 3 Oct 1905] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum toldense Matesevach & Barboza -- Kurtziana 29(1): 90 (-93; fig. 1). 2001 [Dec 2001] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in

combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum toldense Mates. & Barboza -- Kurtziana 29(1): 90 (2001). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum toliaraea D'Arcy & Rakot. -- Ann. Missouri Bot. Gard. 76(1): 351 (1989). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tolimense Wedd. -- Chlor. Andina 2: 106. 1859 [1857 publ. 10 Oct 1859] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tomatillo F.Phil. -- Cat. Pl. Vasc. Chil. 229. 1881 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tomatillo (J.Rémy) F.Phil. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tomentellum Klotzsch -- Naturw. Reise Mossambique [Peters] 6(Bot., 1): 236. 1861 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tomentosum Herb.Hasselt ex Miq. -- Fl. Ned. Ind. ii. 654. ; nom. inval. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tomentosum (J.Rémy) F.Phil. -- Cat. Pl. Vasc. Chil. 229. 1881 ; nom. illeg. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tomentosum L. -- Sp. Pl. 1: 188. 1753 [1 May 1753] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tomentosum L. -- Sp. Pl. 1: 188. 1753 [1 May 1753] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tongaense St.John -- J. Jap. Bot. xxxiv. 335 (1959). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tonsum H.St.John -- Phytologia 64(3): 171. 1988 ; et Native Hawaiian sp. Solanum (Hawaiian Pl. Stud. 82): 24. 1988. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum topiro Humb. & Bonpl. ex Dunal -- Solan. Syn. 10. 1816 [Oct 1816] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum topiro var. georgicum (R.E.Schult.) Heiser -- Baileya 18: 62. 1972 1971 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum topiro Humb. & Bonpl. ex Dunal var. georgicum (R.E.Schult.) Heiser -- Baileya 18(2): 62. 1972 [1971 publ. 1972] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum toralapanum Cárdenas & Hawkes -- J. Linn. Soc., Bot. liii. 98. 1946 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum toralapanum Cárdenas & Hawkes -- J. Linn. Soc., Bot. 53: 98. 1945 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum toralapanum Cárdenas & Hawkes -- J. Linn. Soc., Bot. 53: 98, fig. 4. 1946 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum toralapanum var. subintegrifolium Cárdenas & Hawkes -- J. Linn. Soc., Bot. 53: 99, fig. 5. 1946 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum torreanum A.E.Gonç. -- Kew Bull. 52(3): 706. 1997 [7 Nov 1997] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum torrecillasense Cárdenas -- Bol. Soc. Peruana Bot. v. 15 (1956); cf. Gray Herb. Card Cat. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum torrecillasense Cárdenas -- Bol. Soc. Peruana Bot. 5: 15. 1956 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum torreyi A.Gray -- Proc. Amer. Acad. Arts vi. (1862) 44. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum torreyi f. album Waterf. -- Rhodora 51: 27. 1949 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum torricellense Bitter -- Bot. Jahrb. Syst. 55(1): 75. 1917 [27 Nov 1917] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tortipes Urb. & Ekman -- Ark. Bot. 21A(5): 59. 1927 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tortipes Urb. & Ekman -- Ark. Purified Solanum torvum var. schiedeanum Sendtn. -- Fl. Bras. (Martius) 10: 95. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum torvum var. sinuatolobatum Kuntze -- Revis. Gen. Pl. 2: 455. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum totonacum Sessé & Moc. -- Fl. Mexic., ed. 2 53. 1894 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum totonacum Sessé & Moc. -- Fl. Mexic., ed. 2 53. 1894 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tovarense Bitter -- Repert. Spec. Nov. Regni Veg. 18: 65. 1922 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tovarense Bitter -- Repert. Spec. Nov. Regni Veg. 18: 65. 1922 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tovarii S.Knapp -- Novon 2: 348. fig. 7. 1992 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tovarii S.Knapp -- Novon 2(4): 348. 1992 [22 Dec 1992] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum toxicarium Rich. -- Actes Soc. Hist. Nat. Paris 1: 107. 1792 [Oct 1792] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum trachycarpum Bitter & Sodiro -- Repert. Spec. Nov. Regni Veg. 10: 541. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum trachycarpum Bitter -- Repert. Spec. Nov. Regni Veg. 10: 541. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum trachycyphum Bitter -- Repert. Spec. Nov. Regni Veg. 16: 81. 1919 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum trachycyphum Bitter -- Repert. Spec. Nov. Regni Veg. 16: 81. 1919 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum trachyphyllum Humb. -- in Bonpl. ex Dun. Solan. Syn. 18. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum trachytrichium Bitter -- Repert. Spec. Nov. Regni Veg. 16: 10. 1919 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum trachytrichium Bitter -- Repert. Spec. Nov. Regni Veg. 16: 10. 1919 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum transcaucasicum Pojark. -- Bot. Mater. Gerb. Bot. Inst. Komarova Akad. Nauk S.S.S.R. 17: 332. 1955 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tredecimgranum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 6. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tredecimgranum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 6. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum trepidans C.H.Wright -- Bull. Misc. Inform. Kew 1894(88): 128. [Apr 1894] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum triangulare Lam. -- Tabl. Encycl. li. 18. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tribulosum S.Schauer -- Linnaea 20: 711. 1847 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum trichocalyx Dunal -- Prodr. [A. P. de Candolle] 13(1): 679. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum trichocarpum Miq. -- Stirp. Surinam. Select. 134. 1851 [Mar 1851] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum trichoneuron Lillo -- Contrib. Conoc. Arb. Argent. 99 (1910), nomen. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum trichoneuron Lillo -- Contr. Conoc. Arb. Argent. 99. 1910 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk

Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum trichopetiolatum D'Arcy & Rakot. -- Fl. Madag. Fam. 176: 130 (1994). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum trichostylum Merr. & L.M.Perry -- J. Arnold Arbor. xxx. 47 (1949). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tricolor Dunal as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tricolor Dunal -- in Poir. Encyc. Suppl. iii. 756. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tricuspidatum Rich. ex Dunal -- in Poir. Encyc. Suppl. iii. 771. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tridynamum Dunal -- in Poir. Encyc. Suppl. iii. 776. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum triferum Poepp. ex Schltdl. -- Hort. Hal. i. 6. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum trifidum Correll -- Contr. Texas Res. Found., Bot. Stud. i. 12 (1950). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum trifidum Correll -- Contr. Texas Res. Found., Bot. Stud. 1: 12. 1950 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum triflorum Nutt. -- The Genera of North American Plants 1 1818 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum triflorum Nutt. -- Gen. N. Amer. Pl. [Nuttall]. 1: 128. 1818 [14 Jul 1818] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum triflorum Nutt. -- Gen. N. Amer. Pl. [Nuttall]. 1: 128. 1818 [14 Jul 1818] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum triflorum Nutt. var. calophyllum Bitter -- Abh. Naturwiss. Vereins Bremen 23: 144, fig. 6-8. 1914 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential

use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum triflorum Nutt. var. majus Hook. -- Fl. Bor.-Amer. (Hooker) 2(8): 90. 1837 [Jul 1837] (as "var. major") as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum triflorum Nutt. f. malvinum De Langhe & D'hose -- Bull. Soc. Roy. Bot. Belgique 119(2): 160. 1987 [1986 publ. 1987] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum triflorum Nutt. var. minus Hook. -- Fl. Bor.-Amer. (Hooker) 2(8): 90. 1837 [Jul 1837] (as "var. minor") as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum triflorum Nutt. var. pyrethrifolium (Griseb.) Bitter ex Probst -- Mitt. Naturf. Ges. Solothurn 9: 41. 1932 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum trifoliatum Burm.f. -- Fl. Ind. (N. L. Burman) 57, f. 3. 1768 [1 Mar-6 Apr 1768] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum trifolium Dunal -- Prodr. [A. P. de Candolle] 13(1): 68. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum trifurcum Dunal -- Prodr. [A. P. de Candolle] 13(1): 272. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum trilobatum L. -- Sp. Pl. 1: 188. 1753 [1 May 1753] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum trilobatum L. -- Sp. Pl. 1: 188. 1753 [1 May 1753] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum trilobatum Noronha -- Verh. Batav. Genootsch. Kunst. 5(Art. 4): 26. 1790 ; nom. inval. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum trilobatum L. var. griffithii C.B.Clarke -- Fl. Brit. India [J. D. Hooker] 4(10): 237. 1883 [Jun 1883]

Purified Solanum trilobum Larrañaga -- Escritos Damaso Antonio Larranaga i. 12 (1922) [Pub. Inst. Hist. Geog. Urug.]; cf. GrayHerb. Card Cat., Issue 123. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com
